

Let love blossom

Love is in full bloom at the Singapore Botanic Gardens.

To celebrate its 150th anniversary, the green spot is holding an event today to gather 168 couples to exchange their wedding vows.

Checking out the lovely place yesterday were (from left) Mr Hu Shu Kai, 28, an accountant; Ms Udelia Lee, 25, an auditor; Ms Yam Weixuan, 22, a human resources officer; and Mr Pang Kok Whye, 30, a sales executive.
