

BABIES RACE TO JOIN 'MOST SPORTY BABY' COMPETITION

ABOUT 150 babies raced with their parents at Tampines North Community Club yesterday.

The winner will represent the community club to vie for the title of "Most Sporty Baby" in Baby S'pore, an event organised by the People's Association to promote family life and procreation.

As part of the event, more than 3,000 babies will take part in baby shows at 33 community clubs from this month to the next.
